

## The Flying Ace

Date of Birth: 05/17/2019 Registration 1: Pending Registration 2: 284035

Chad Dickinson Breeder: Owner: Rocking V Ranch

9-80"+ animals in his pedigree, two of which are over 100" TTT. This thick boned bull with brindle spots is solid and steady. He moves like a battleship through the pasture! The pedigree behind him reads like a production Hall of Fame (just take a look at those names).
